Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 02 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Turning mild with a risk of showers later.

Today:
Rain slowly clearing the north of the region through the morning with sunny spells developing further south. A mild day with scattered blustery showers later on, at times heavy. Maximum temperature 12 deg C (54 deg F).

Tonight:
During the evening heavy showers clear the north of the region with clear spells developing behind. A milder night with a breeze. Minimum temperature 1 deg C (34 deg F).

Wednesday:
A dry and mild start with sunny intervals and light winds. Turning cloudier later with a risk of a few showers. Largely dry overnight with clear spells. Maximum temperature 9 deg C (48 deg F).

Outlook for Thursday to Saturday:
Sunny spells and scattered showers on Thursday and Friday. Cloudy with a chance of showers on Saturday and becoming colder.
